

## **New Health Insurance Marketplace Coverage Options**

*This Notice is required by Law. It is for your general information.  
No action is required on your part.*

### **General Information**

When key parts of the health care law take effect in 2014, there will be a new way to buy private individual health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage we offer to you. Please note that this notice is informational only.

### **What is the Health Insurance Marketplace?**

For Diocesan employees not covered by the Diocese of Rockford Health Care Plan, or dependents of Diocesan employees, there is the Marketplace (also called the Exchange) designed to help you find private individual health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### **Can I Save Money on my Health Insurance Premiums in the Marketplace?**

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### **How Can I Get More Information About the Health Insurance Marketplace?**

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.
