

DIOCESE OF ROCKFORD
VOCATIONS OFFICE

Nun Run!

This trip focuses on young women who have been wondering what it would mean to live a religious vocation. It will offer opportunities to visit a few different communities located in Iowa & Nebraska see the work they do, how they live and have time to speak with the sisters.

We invite high school, and college age women and older to join us on this trip.

There will be time to visit with the sisters, ask questions and share their daily lives.

This trip is designed to assist in opening your heart and mind to your vocation in life.

We will be visiting Sisters of different orders and with different charisms.

VOCATIONS OFFICE SPRING 'NUN RUN'

The Vocation Office is sponsoring a "Nun Run" for young women ages 17 thru 35 years of age. We understand how difficult it can be to meet and spend time with members of a religious community.

This interaction offers insight into the daily lives of Sisters of various communities.

WHEN:

March 15th - 18th 2018

WHERE:

We will be visiting convents in Iowa & Nebraska

WHO:

Only a limited number of women will be able to accompany us on this journey. If you have been wondering about religious life and would appreciate the opportunity to spend some time with Sisters in their community, we invite you to join us.

The trip will be chaperoned by two Diocesan employees.

We will be leaving from the Diocesan Administration Building, 555 Colman Center Drive, Rockford.

VOCATION TO RELIGIOUS LIFE

**Have you been hearing the call?
Not sure of the question?
Not sure of your answer?**

We will provide young women with the opportunity to visit a few religious orders and share the lives of the Sisters. You will be able to interact with them in their prayer, work and daily routine.

You will have an opportunity to ask questions and time to reflect on what you have heard and learned.

We will be staying at their convent or monastery in their own environment, getting a feel for the life of the communities.

COST:

The cost is ninety dollars (\$90) to help defray expenses. If finances are an issue, please contact the Vocations Office, as we may be able to accommodate you.

Miscellaneous:

Although we will be staying with the Sisters, remember you will need your own toiletries and some cash for meals not provided by the Sisters and any pop and/or snacks you may wish to purchase.

A camera is always an excellent idea!

If you are interested, please call for additional information. Space is very limited.
