

Our Men in Black

Favorite prayer

My favorite prayer is the Holy Sacrifice of the Mass. It is the prayer that brings Jesus, protects the world, and sanctifies God's people.

Something about you few people would know

I think children are refreshing in their truthfulness and energy.

Favorite saint

St. Athanasius, he was kicked out of the Church many times because he would not keep his mouth closed. He was speaking the truth in a time of heresy. He persevered and prevailed

Father Scott DuVall Parochial Vicar, St. Mary Church, Huntley

and the truth won out.

What has been a holy moment for you in your priesthood?

When the bishop consecrated my hands, and later called me "Father." The ultimate, of course, is the first time I said the words of consecration.

What have you learned from your brother priests?

My parish priest taught me to pray and to just do what the Church wants and then its people will become holy.

Advice for young people considering a vocation

I would tell the young man thinking about the priesthood that he could do nothing more noble than discern the priesthood of Jesus Christ.

The priest has the power over heaven and earth.

Favorite hobby or pastime

I like to restore old liturgical garments (albs, surplice, chasubles) and restore chalices and ciborium or any metal liturgical item. I like to refinish furniture and I like to skeet shoot.

Favorite recipe

My favorite recipe involves food and family and friends.
