

Job Openings for 2023-2024

Part Time Solid Works Instructor

Marmion Academy, a competitive Catholic college-preparatory academy for boys seeks an experienced instructor in science for the 2023-2024 Academic Year. Due to the creation of a separate Engineering Department, we anticipate a part time opening for the upcoming school year in our SolidWorks classes. The ideal candidate will be CSWA and CSWP certified. Marmion's salary and benefits program will be competitive and commensurate with a candidate's educational preparation and experience. Coaching and extracurricular opportunities are available.

Marmion Academy, founded in 1933, is owned and operated by the Benedictine Monks of Marmion Abbey and is situated on a 325-acre campus in Aurora, Illinois, 35 miles west of Chicago. Marmion is a member in good standing of many accrediting and professional organizations, including: the North Central Association of Colleges and Universities; the Illinois State Board of Education; the National Catholic Education Association; the Council for the Advancement and Support of Education; the National Association of Secondary School Principals; the National Honor Society and the Secondary Schools Admissions Test Board.

Requirements: Bachelor's Degree/ Certified SolidWorks Associate and Certified SolidWorks Professional

Salary: Commensurate with educational preparation and professional experience.

Qualified candidates are invited to complete our [online application](#) or e-mail a detailed resume to:
