Give Form W-4 to your employer.
 Your withholding is subject to review by the IRS.

2024

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
	City or town, state, and ZIP code		
	(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly): Multiply the number of qualifying children under age 17 by \$2,000 \$ _____ Multiply the number of other dependents by \$500 \$ _____ Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	4(b)	\$
	(c) Extra withholding. Enter any additional tax you want withheld each pay period	4(c)	\$

Step 5: Sign Here	Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 **and** you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$29,200 if you're married filing jointly or a qualifying surviving spouse; \$21,900 if you're head of household; \$14,600 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

Note: These instructions are written for employees to address withholding from wages. However, this form can also be completed and submitted to a payor if an agreement was made to voluntarily withhold Illinois Income tax from other (non-wage) Illinois income.

Who must complete Form IL-W-4?

If you are an employee, you must complete this form so your employer can withhold the correct amount of Illinois Income Tax from your pay. The amount withheld from your pay depends, in part, on the number of allowances you claim on this form.

Even if you claimed exemption from withholding on your federal Form W-4, U.S. Employee's Withholding Allowance Certificate, because you do not expect to owe any federal income tax, you may be required to have Illinois Income Tax withheld from your pay (see Publication 130, Who is Required to Withhold Illinois Income Tax). If you are claiming exempt status from Illinois withholding, you must check the exempt status box on Form IL-W-4 and sign and date the certificate. Do not complete Lines 1 through 3.

If you are a resident of Iowa, Kentucky, Michigan, or Wisconsin, or a military spouse, see Form W-5-NR, Employee's Statement of Nonresidence in Illinois, to determine if you are exempt.

If you are an Illinois resident who works for an employer in a non-reciprocal state but you work from home or in locations in Illinois for more than 30 working days, you may need to adjust your withholding or begin making estimated payments. For additional information, go to tax.illinois.gov.

Note If you do not file a completed Form IL-W-4 with your employer, if you fail to sign the form or to include all necessary information, or if you alter the form, your employer must withhold Illinois Income Tax on the entire amount of your compensation, without allowing any exemptions.

When must I submit this form?

You should complete this form and give it to your employer on or before the date you start work. You must submit Form IL-W-4 when Illinois Income Tax is required to be withheld from compensation that you receive as an employee. You may file a new Form IL-W-4 any time your withholding allowances increase. If the number of your claimed allowances decreases, you **must** file a new Form IL-W-4 within 10 days. However, the death of a spouse or a dependent does not affect your withholding allowances until the next tax year.

When does my Form IL-W-4 take effect?

If you do not already have a Form IL-W-4 on file with your employer, this form will be effective for the first payment of compensation made to you after this form is filed. If you already have a Form IL-W-4 on file with this employer, your employer may allow any change you file on this form to become effective immediately, but is not required by law to change your withholding until the first payment of compensation is made to you after the first day of the next calendar quarter (that is, January 1, April 1, July 1, or October 1) that falls at least 30 days after the date you file the change with your employer.

Example: If you have a baby and file a new Form IL-W-4 with your employer to claim an additional allowance for the baby, your employer may immediately change the withholding for all future payments of compensation. However, if you file the new form on September 1, your employer does not have to change your withholding until the first payment of compensation is made to you after October 1. If you file the new form on September 2, your employer does not have to change your withholding until the first payment of compensation made to you after December 31.

How long is Form IL-W-4 valid?

Your Form IL-W-4 remains valid until a new form you have submitted takes effect or until your employer is required by the Department to disregard it. Your employer is required to disregard your Form IL-W-4 if

- you claim total exemption from Illinois Income Tax withholding, but you have not filed a federal Form W-4 claiming total exemption, or
- the Internal Revenue Service (IRS) has instructed your employer to disregard your federal Form W-4.

What is an "exemption"?

An "exemption" is a dollar amount on which you do not have to pay Illinois Income Tax that you may claim on your Illinois Income tax return.

What is an "allowance"?

The dollar amount that is exempt from Illinois Income Tax is based on the number of allowances you claim on this form. As an employee, you receive one allowance unless you are claimed as a dependent on another person's tax return (e.g., your parents claim you as a dependent on their tax return). If you are married, you may claim additional allowances for your spouse and any dependents that you are entitled to claim for federal income tax purposes. You also will

receive additional allowances if you or your spouse are age 65 or older, or if you or your spouse are legally blind.

Note: For tax years beginning on or after January 1, 2017, the personal exemption allowance, and additional allowances if you or your spouse are age 65 or older, or if you or your spouse are legally blind, may **not** be claimed on your Form IL-1040 if your adjusted gross income for the taxable year exceeds \$500,000 for returns with a federal filing status of married filing jointly, or \$250,000 for all other returns. You may complete a new Form IL-W-4 to update your exemption amounts and increase your Illinois withholding.

How do I figure the correct number of allowances?

Complete the worksheet on the back of this page to figure the correct number of allowances you are entitled to claim. Give your completed Form IL-W-4 to your employer. Keep the worksheet for your records.

Note If you have more than one job or your spouse works, your withholding usually will be more accurate if you claim all of your allowances on the Form IL-W-4 for the highest-paying job and claim zero on all of your other IL-W-4 forms.

How do I avoid underpaying my tax and owing a penalty?

You can avoid underpayment by reducing the number of allowances or requesting that your employer withhold an additional amount from your pay. Even if your withholding covers the tax you owe on your wages, if you have non-wage income that is taxable, such as interest on a bank account or dividends on an investment, you may have additional tax liability. If you owe more than \$1,000 tax at the end of the year, you may owe a late-payment penalty or will be required to make estimated tax payments. For additional information on penalties see Publication 103, Uniform Penalties and Interest. Visit our website at tax.illinois.gov to obtain a copy.

Illinois Withholding Allowance Worksheet

General Information

Use this worksheet as a guide to figure your total withholding allowances you may enter on your Form IL-W-4.

Complete Step 1.

Complete Step 2 if

- you (or your spouse) are age 65 or older or legally blind, or
- you wrote an amount on Line 4 of the Deductions Worksheet for federal Form W-4.

If you have more than one job or your spouse works, your withholding usually will be more accurate if you claim all of your allowances on the Form IL-W-4 for the highest-paying job and claim zero on all of your other IL-W-4 forms.

You may reduce the number of allowances or request that your employer withhold an additional amount from your pay, which may help avoid having too little tax withheld.

Step 1: Figure your basic personal allowances (including allowances for dependents)

Check all that apply:

- No one else can claim me as a dependent.
 I can claim my spouse as a dependent.

- 1 Enter the total number of boxes you checked. 1 _____
- 2 Enter the number of dependents (other than you or your spouse) you will claim on your tax return. 2 _____
- 3 Add Lines 1 and 2. Enter the result. This is the total number of basic personal allowances to which you are **entitled**. You are not required to claim these allowances. The number of basic personal allowances that you choose to claim will determine how much money is withheld from your pay. See Line 4 for more information. 3 _____
- 4 Enter the total number of basic personal allowances you choose to claim on this line and Line 1 of Form IL-W-4 below. This number may not exceed the amount on Line 3 above, however you can claim as few as zero. Entering lower numbers here will result in more money being withheld(deducted) from your pay. 4 _____

Step 2: Figure your additional allowances

Check all that apply:

- I am 65 or older. I am legally blind.
 My spouse is 65 or older. My spouse is legally blind.

- 5 Enter the total number of boxes you checked. 5 _____
- 6 Enter any amount that you reported on Line 4 of the Deductions Worksheet for federal Form W-4 plus any additional Illinois subtractions or deductions. 6 _____
- 7 Divide Line 6 by 1,000. Round to the nearest whole number. Enter the result on Line 7. 7 _____
- 8 Add Lines 5 and 7. Enter the result. This is the total number of additional allowances to which you are **entitled**. You are not required to claim these allowances. The number of additional allowances that you choose to claim will determine how much money is withheld from your pay. 8 _____
- 9 Enter the total number of additional allowances you elect to claim on Line 2 of Form IL-W-4, below. This number may not exceed the amount on Line 8 above, however you can claim as few as zero. Entering lower numbers here will result in more money being withheld(deducted) from your pay. 9 _____

IMPORTANT: If you want to have additional amounts withheld from your pay, you may enter a dollar amount on Line 3 of Form IL-W-4 below. This amount will be deducted from your pay in addition to the amounts that are withheld as a result of the allowances you have claimed.

New Health Insurance Marketplace Coverage Options

*This Notice is required by Law. It is for your general information.
No action is required on your part.*

General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy private individual health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage we offer to you. Please note that this notice is informational only.

What is the Health Insurance Marketplace?

For Diocesan employees not covered by the Diocese of Rockford Health Care Plan, or dependents of Diocesan employees, there is the Marketplace (also called the Exchange) designed to help you find private individual health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

How Can I Get More Information About the Health Insurance Marketplace?

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

The Catholic Diocese of Rockford

Lay Employee Pension Plan **Summary Plan Document**

Revised April 15, 2024

Introduction

The Catholic Diocese of Rockford Lay Pension Plan was created effective October 1, 1974. It covers regular full time lay employees of the Catholic Diocese of Rockford. The Plan is funded entirely by employer contributions. Employees do not contribute to the Plan.

The Plan was created with the intention that it continue indefinitely. However, the Catholic Diocese of Rockford has the right to terminate, modify, alter or amend it; or to merge or consolidate it with any other plan.

The Plan was created to assist covered employees in financial preparation for retirement. The combination of the Plan's benefits and Social Security (funded by matching employee and employer contributions under the Federal Insurance Contribution Act (FICA) will provide a base for planning a comfortable retirement. The 403(b) Retirement Plan, provided under a program separate from this Plan can be an excellent means to supplement the Plan's benefits and should be considered by those interested in tax-advantaged retirement savings.

This is a summary plan description of The Catholic Diocese of Rockford Lay Pension Plan. It is not the official Plan document and cannot be relied upon for definitive answers to all questions. A copy of the official document is available for inspection by any employee or his/her representative during regular business hours at the Diocesan Lay Pension Office of the Diocese located at 555 Colman Center Drive, Rockford, Illinois.

In any conflict between this summary and the official Plan document, the official Plan document will control.

Eligibility

An employee becomes eligible to be a participant in the Plan when he/she completes 12 months of continuous service provided he/she is age 25 or older.

Participation commences automatically unless the employee elects not to become a participant. An election to decline participation must be submitted to the Plan Administrator in writing at least 30 days prior to the date participation otherwise would commence. An employee who declines participation may revoke this decision and become a participant on a subsequent January 1.

Revocation must be in writing and delivered to the Plan Administrator at least 30 days prior to the January 1 on which it is to take effect.

An employee who is a participant may elect to discontinue participation for any Plan year. An election to discontinue participation must be submitted to the Plan Administrator in writing at least 30 days prior to January 1.

Contributions

Employer contributions made to the Plan on a participant's behalf are as follows:

- a) less than 10 years of full-time employment 3% of gross salary
- b) 10 to 15 years of full-time employment 5% of gross salary
- c) more than 15 years of full-time employment 6% of gross salary

However, no contributions are made for a participant who is on a leave of absence or who has elected not to participate.

Employees do not contribute to the Plan.

Benefit Accumulation

Contributions to the Plan are held in a trust fund that is invested under the supervision of the Trustees. The trust fund is invested as individual accounts. Contributions are credited to the participant's account, and, daily, earnings are credited to his/her account.

Vesting

If a participant ceases to be an employee for reasons other than death or retirement at a normal, early, or postponed retirement date, and if he/she has fewer than 7 full years of continuous service when his/her employment terminates, he/she will forfeit a portion of his/her account. The portion of his/her account that he/she does not forfeit is referred to as the vested portion of his/her account. The portion vested depends on the number of his/her full-time years of continuous service as shown on the following table.

A participant's account is fully (100%) vested if his/her employment terminates because of death or because of retirement at normal, early, or postponed retirement age.

Full Years of Continuous Service	Portion Vested	Portion Forfeited
Less than 3	none	100%
3	20%	80%
4	40%	60%
5	60%	40%
6	80%	20%
7	100%	none

Forfeitures

Forfeited pension benefits may be used as administrative fees and/or remain in the Pension Plan portfolio to be reallocated to the pension accounts of the other employees.

In-Service Transfer

Effective July 1, 2014, a full or partial in-service transfer is available to an employee who is at least age 62 and is fully vested. In-service transfers are limited to once per quarter and must be a tax deferred rollover to an Eligible Retirement Plan (i.e. IRA).

Distribution of Accounts

Generally, a participant's account becomes distributable on his/her distribution date (i.e., his/her normal retirement date unless an early, disability, or postponed retirement date applies to him/her). However, if a participant dies prior to his/her distribution date, his/her account becomes distributable to his/her beneficiary at the time of his/her death.

Distribution can only be made in a lump sum to a qualified IRA, participant or beneficiary.

The federal law governing the Plan requires the distribution of benefits begin April 1 of the calendar year following the calendar year in which the employee attains age 70½. In the case of a church plan, the required beginning date shall be the later of the date determined under the preceding sentence, or April 1 of the calendar year following the calendar year in which

the employee retires. Accordingly, the Plan provided that distribution of a participant's account begin the later of April 1 following the close of the calendar year in which a retired person reaches age 70½, or April 1 following the close of the calendar year in which a person retires.

An employee, upon termination of employment, is required to complete the *Notice to Administrator of Participant's Leaving Plan* form. This form should be completed by all participants leaving the Plan as a result of termination, retirement, or disability. Upon death, a copy of the Death Certificate should be attached to the form. The completed form should be forwarded to the Diocesan Lay Pension Office.

A portion of a participant's account may be forfeited under certain circumstances (as described under "Vesting" below), in which case only the vested portion of his/her account becomes distributable.

Beneficiary Designation

The participant shall have the right to change the designated beneficiary of the Plan at any time or times by filing a new designation with the Plan Administrator on the form provided, but such designation shall be effective and acted upon only if received by the Plan Administrator prior to the participant's death.

Loans and Fees

A participant may not borrow from the Plan nor may his/her interest in the Plan be pledged as collateral for a loan from another party.

Participants pay an ongoing administration fee of 0.35% of assets held in each participant's Retirement Plan account. This fee is withdrawn directly from each participant's Retirement Plan account.

There are no termination or asset transfer charges imposed when a participant withdraws or rolls over assets in a Retirement Plan account.

Definitions

These terms are defined as follows for purposes of this summary plan description.

“Beneficiary” – the person or persons designated by a participant to receive his/her benefits under the Plan should he/she die before all of his/her benefits have been paid out. Corporations and trusts, as well as natural persons, may be a Beneficiary. The designation must be made in writing. A form may be obtained from the employer or by contacting the Diocesan Lay Pension Office.

“Continuous Service” – a period of service to an employer without break. Continuous Service is measured from last date of hire. Transfer of employment from one diocesan employer to another does not cause a break in service, provided service to the new employer commences within a reasonable time after service to the prior employer ceases. Generally, if a break in service does not exceed the period of a participant’s full-time employment, this condition is met. Further, a leave of absence granted by an employer is included in Continuous Service if the leave is granted under Plan rules. Generally, Plan rules permit leaves of absence for required service in the Armed Forces, sickness or disability, and similar purposes, provided the leave does not extend for more than 24 consecutive months, or, in the case of required service in the Armed Forces, does not extend for more than 6 months beyond discharge from Armed Forces service.

“Distribution Date” – the date of payment of a participant’s benefits. Generally, a participant’s Distribution Date is his/her normal retirement date; unless an early retirement, disability, or a postponed retirement date applies. Distributions of Participants’ accounts are usually made within 60 days after the close of the quarter and contributions are collected. Employers are required to remit contributions to the Plan by the end of the month following the quarter ending date.

“Earnings” – a participant’s gross compensation reported on his W-2 without regard to deductions for a 403(b) Retirement Plan account.

“Employee” – a regular full-time lay employee of a Diocesan employer. Regular full-time employment is 35 hours or more per week for the normal work year.

“Employer” – those parishes, schools, and agencies of the Catholic Diocese of Rockford.

“In-Service Transfer” – a Qualified Employee can transfer a portion or all of his or her fully vested balance in the pension plan to an Eligible Retirement Plan of the employee’s choosing. A Qualified Employee for this purpose is one who is at least age 62 at the time of transfer and is fully vested with the Diocese of Rockford Lay Employee Pension Plan. A Qualified Employee

may request an in-service transfer no more than once per calendar quarter. The transfer must be a tax-deferred rollover to an Eligible Retirement Plan as defined in the Plan document, §6.7(c).

“Participant” – an employee who has met the eligibility requirements of the Plan and who is accruing benefits under the Plan.

“Plan” – the Catholic Diocese of Rockford Lay Pension Plan.

“Plan Year” – a 12-month period beginning January 1.

“Summary” – this summary plan description of the Plan.

“Trustees” – collectively, the persons authorized to manage the Plan. The Trustees are the Bishop or his delegate, the President of the Priests’ Senate, the Vice President of the Clergy Relief Society, the Representative of Women Religious, and from five to nine representatives appointed by the Bishop.

Catholic Diocese of Rockford

403(b) Retirement Plan

Effective April 15, 2024

INTRODUCTION

The Catholic Diocese of Rockford adopted a “single provider” format for the 403(b) Retirement Plan effective June 1, 2008. The Plan was created to encourage priests, deacons, and lay employees to save a portion of their current earnings to build a personal retirement fund to supplement Social Security benefits and any applicable pension benefits.

ELIGIBILITY

All priests, deacons and lay employees who receive compensation for their services to diocesan organizations, whether part-time or full-time, may participate in the Plan through voluntary salary deferrals. Eligibility commences with the date of hire. Employer matching contributions also become eligible immediately following the date of hire.

EMPLOYEE CONTRIBUTIONS

- Contributions are automatically deducted from employee paychecks.
- Contributions are pre-tax (unless a participant elects a Roth Plan). Contributions are deducted before paying Federal and Illinois income taxes. Pre-tax investments grow tax-deferred and are taxed only upon withdrawal from the Plan.
- Contributions are post-tax if an employee elects a Roth Plan. Earnings on post-tax Roth contributions will not be taxed if certain conditions are met when a participant withdraws funds from the Plan.
- Employees may contribute up to 100% of their compensation as allowed under the IRS Code.

EMPLOYER CONTRIBUTIONS

Diocesan employers match employee contributions each payroll period equal to 15% of the first 6% of compensation that an employee contributes to the plan.

Example: An employee earns \$30,000 annually and elects to defer 10% of his or her compensation to the 403(b) Retirement Plan. Since the employer matches to a maximum of the first 6% of compensation, the match is computed as follows:

$$\begin{aligned} & \$30,000 \text{ earnings} \times 6\% \text{ maximum} \\ & \times 15\% \text{ match} = \$270. \end{aligned}$$

REMITTANCE OF CONTRIBUTIONS

Employee and Employer contributions are remitted to Security Benefit Life by the diocesan payroll office by the end of the month following the month of contribution.

VESTING

Employee and employer contributions to the 403(b) Retirement Plan are 100% vested at all times. This means the value of all contributions made by the employee and the match from the employer, together with accumulated earnings, are payable to the employee upon retirement or termination of employment regardless of the years of service.

INVESTMENT OPTIONS

- Employees may choose to invest from among all of the funds offered by Security Benefit Life including 15 different “target portfolios” designed to fit different investment strategies.
- Employees may change their investment mix at any time.

... continued on next page.

WITHDRAWALS AND LOANS

Participants in the 403(b) Retirement Plan have the following options for withdrawals or loans:

- Hardship withdrawals. When certain emergencies occur, such as extended illnesses or catastrophic casualty losses, participants may withdraw funds from their Retirement Plan accounts.
- “In-service” withdrawals. These are withdrawals made by participants while actively employed within the diocese, and who have attained the age of 59 ½ years or older.
- Loans. Participants may borrow from their Retirement Plan accounts subject to interest charges and a repayment plan. In addition to interest charges, participants who borrow from their Retirement Plan accounts pay a one-time loan origination fee of \$50 and a quarterly administration fee of \$12.50 for each outstanding loan.

FEES

- Participants pay an ongoing administration fee of 0.35% of assets held in each participant’s Retirement Plan account. This fee is withdrawn directly from each participant’s Retirement Plan account.
- There are no termination or asset transfer charges imposed when a participant withdraws or rolls over assets in a Retirement Plan account.

ROLLOVERS TO THE RETIREMENT PLAN

Participants may roll over account balances from another eligible retirement plan, including Individual Retirement Accounts (IRAs), into the 403(b) Retirement Plan.

NORMAL DISTRIBUTIONS

Participants may request a distribution of their Retirement Plan account balances upon

retirement, termination of employment, or permanent disability. Distributions to participants may be taxable. Participants may postpone current income tax liability by rolling over Retirement Plan account balances to another tax-qualified retirement plan or Individual Retirement Account (IRA). The IRS also has minimum distribution requirements depending upon the age of the participant. On all these issues, please consult your tax advisor before making decisions.

ACCOUNT INFORMATION

Participants receive quarterly statements mailed directly to their home address. They may access information or make changes to their Retirement Plan accounts at: www.securityretirement.com.
