

ASBESTOS AWARENESS:
OUTSIDE CONTRACTORS LOG

In accordance with the Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA) 40 CFR Part 763: "Ensure that all short-term workers (e.g. telephone repair workers, utility workers, exterminators) who may come in contact with asbestos in a school are provided information regarding the locations of asbestos-containing building materials (ACBM) and suspected ACBM assumed to be ACBM".

The individuals listed below have been informed that the Asbestos Management Plan containing information for these premises is available for their inspection and they have been warned not to disturb any suspected ACBM in their working areas.
